July 12, August 10, or September 9

6:00—7:30 PM

Hilton Minneapolis Airport
3800 American Boulevard East
Bloomington, MN 55425

NSA-MN invites you to explore how the 2010-11 Institute for Professional Development Programs can help you launch or develop your professional speaking business.

At this brief Information Night you will:

- ▶ Meet the 2010-11 Leadership Team
- ▶ Review 2010-11 curriculum objectives
- ▶ Meet other business professionals who are considering participation
- ▶ Enjoy a cool sundae on a hot night!

2010-11 Institute for Professional Development Programs:

- ◆ **Apprentice Program:** NSA-MN Apprentice Program participants experience an in-depth look at the business of professional speaking. In this popular program, you will explore all dimensions of a successful speaking business.
- ◆ **Graduate Program:** NSA-MN Graduate Program participants will explore the business of professional speaking in depth. In this program, the emphasis is on application.
- ◆ **Mentor to Membership Program:** This program is for those who have participated in either the Apprentice or Graduate programs. The goal for NSA-MN Mentor to Membership participants is to achieve membership with NSA-MN by the end of the program.
- ◆ **Mentor to Mastery Program:** This program is for current NSA-MN members who would like to master their profession or business focus.
